Academic and grading system

ICN Business School uses the European Credit Transfer and Accumulation System (ECTS). A full academic year corresponds to 60 ECTS credits, reflecting the workload associated with defined learning outcomes.

Courses typically combine lectures, seminars, and case-based learning. Students can expect an average of 20 to 25 classroom hours per week. Each course is usually assessed through a mix of continuous assessment and final examination.

The teaching staff includes both academic professors and industry professionals, providing students with both theoretical and practical insights.

ICN applies the standard French grading scale, from 0 (lowest) to 20 (highest). The minimum passing grade is 10/20. Grades above 15 are rarely awarded, and a mark of 14 is considered very good.

The grading table is provided below for reference.

Grade	Minimum mark	Maximum mark	Course validated
A	16	20	VA
B	15	16	VA
C	13	15	VA
D	11	13	VA
E	10	11	VA
