Making Research Matter to the Public: Roles of influencers: Scholars, journalists and PR Teams

**Project Description (1 page)**

Make a separate submission for each Impactful Sustainability/Responsible Management Project you propose.

Give your project a title.

Indicate i) the theme(s) you believe you can make a meaningful contribution to; ii) aim of your project; iii) target public; iv) how you wish to deliver your presentation at our conference; v) how you integrate the [i5 approach](#) with success, and what areas you want to work further on; vii) critical assessment of experience in implementing your project.

We'll get back to you shortly so that you can register as soon as possible!
