**Dear PRME Chapter Signatory Member,**

As PRME Chapter signatory institutions, we are pleased to offer a limited number of **full Bachelor or Master student scholarships to support students playing a key role in the PRME Chapter France-Benelux 2026 Conference**, taking place on **Thursday 21– Friday 22 May** at **ICN Business School, Nancy, France**.

This initiative is designed as a benefit to PRME signatory schools and will fully support selected students' participation in the meeting, including travel, accommodation, and registration costs. Selected students will join the PRME community as active participants throughout the meeting, engaging with educators, practitioners, researchers, partner organisations and fellow students committed to advancing sustainability and responsible management education.

We would greatly appreciate your support in sharing this opportunity with your students and encouraging applications from those whose initiatives, impact, and leadership reflect the spirit of PRME.

#### **Application Requirements**

Students are invited to submit a one-page motivation letter, addressed to the Steering Committee, reflecting on the following:

- **How are you currently contributing to positive societal and/or environmental impact, and how does this shape your understanding of responsible leadership?**
- **How do you see your future role in advancing responsible management and contributing to the Sustainable Development Goals (SDGs)?**
- **What would you hope to contribute to - and gain from - participating in the PRME Chapter Conference?**

Students are encouraged to draw on specific examples to support their reflections.

Applications should be submitted to: [conference.prme.2026@icn-artem.com](mailto:conference.prme.2026@icn-artem.com)
