ICN Business School receives a 5-year renewal of its EQUIS accreditation

Following an audit carried out in April 2025, EFMD (European Foundation for Management Development) has renewed its EQUIS accreditation for ICN Business School for the maximum period of 5 years. This result attests to the school's level of excellence, the strength of its positioning and its strategy.

« We are delighted with the EQUIS re-accreditation of ICN Business School. The EFMD board particularly commended the quality of our strategy – clear and data-driven – which was rated 'above the standard'. The renewal of this accreditation reinforces ICN's strategic plan and its objectives. Following the AACSB re-accreditation obtained for 6 years in May 2025, ICN continues to assert itself among the 1% of triple-crowned business schools worldwide (AACSB, EQUIS, AMBA)» states Florence LEGROS, Director General of ICN Business School.
